By enrolling with Provision Power & Gas, the customer consents to this Agreement.

**Rate and Term (Fixed):** Provision Power & Gas agrees to provide your LDC with electricity at the agreed upon rate which will be distributed to the customer at the registered service address(es) for the period of time indicated on the e-mail enrollment confirmation notice. After this, the customer will default to Provision Power & Gas’ monthly variable rate plan and can cancel at any time without a fee. The monthly rate will vary based on the wholesale price of electricity as furnished by PJM Interconnection, LLC, and other relevant market factors, including, but not limited to, Provision Power & Gas’ assessment of applicable market conditions, capacity, ancillary, costs of Renewable Energy Credits, administrative, balancing, transportation, line loss, and credit costs, and a profit margin that may vary from month to month. The customer may also contact Provision Power & Gas to enroll in another available rate plan. The Provision Power & Gas rate excludes taxes and delivery fees. Provision Power & Gas service is estimated to begin with the next available meter reading after processing of the request by the LDC. If an Early Termination Fee is in effect for this plan, it is noted above.

**Rate and Term (Variable):** Provision Power & Gas agrees to provide your LDC with electricity at the agreed upon rate which will be distributed to the customer at the registered service address(es) on a month-to-month basis as demarcated by the customer’s meter reading dates and until canceled by notice as indicated on the e-mail enrollment confirmation notice. The monthly rate will vary based on the wholesale price of electricity as furnished by PJM Interconnection, LLC, and other relevant market factors, including, but not limited to, Provision Power & Gas’ assessment of applicable market conditions, capacity, ancillary, costs of Renewable Energy Credits, administrative, balancing, transportation, line loss, and credit costs, and a profit margin that may vary from month to month. The customer may also contact Provision Power & Gas to enroll in another available rate plan. The Provision Power & Gas rate excludes taxes and delivery fees.
